

## Gender Framework Domains

**IGWG**

**Directions:** Take the information that you identified in Table 1 and try to analyze the implications of that information using the categories in Table 2.

Table 2: Gender Constraints and Opportunities for Project Planning

<b>Key Gender Constraints/Opportunities</b>	<b>What is the identified gender-based constraint or opportunity?</b>	<b>(1) How will gender relations affect the achievement of sustainable results?</b>	<b>(2) How will proposed results affect the relative status of men and women?</b>	<b>Possible actions to address the constraints and opportunities to achieve more equitable outcomes</b>
