

# Intersections of Gender Norms and SRH Programming in Zambézia Province, Mozambique

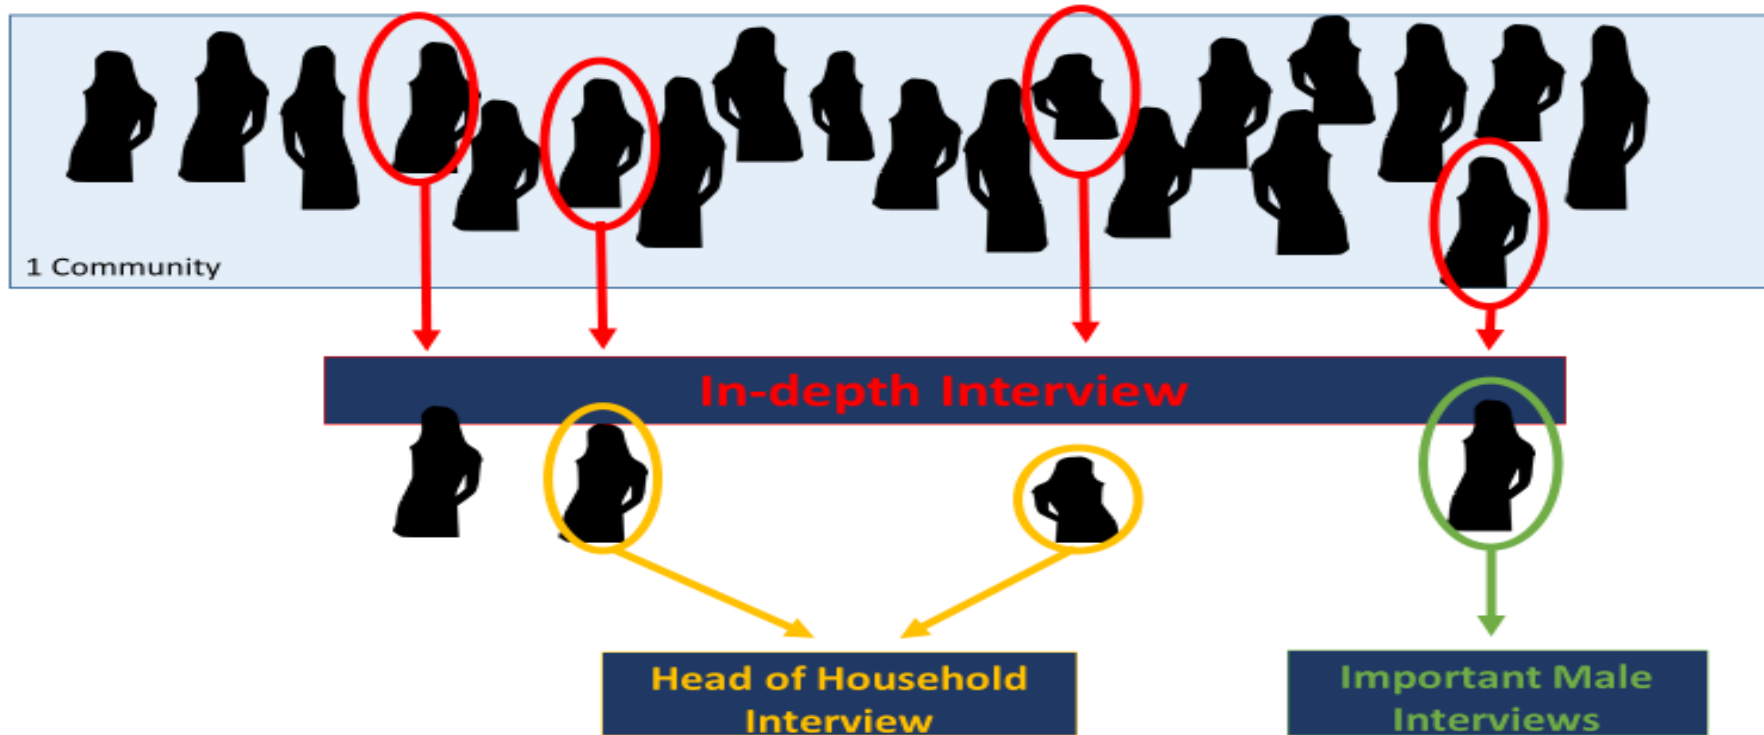

*Rachel Lenzi* | May 2019

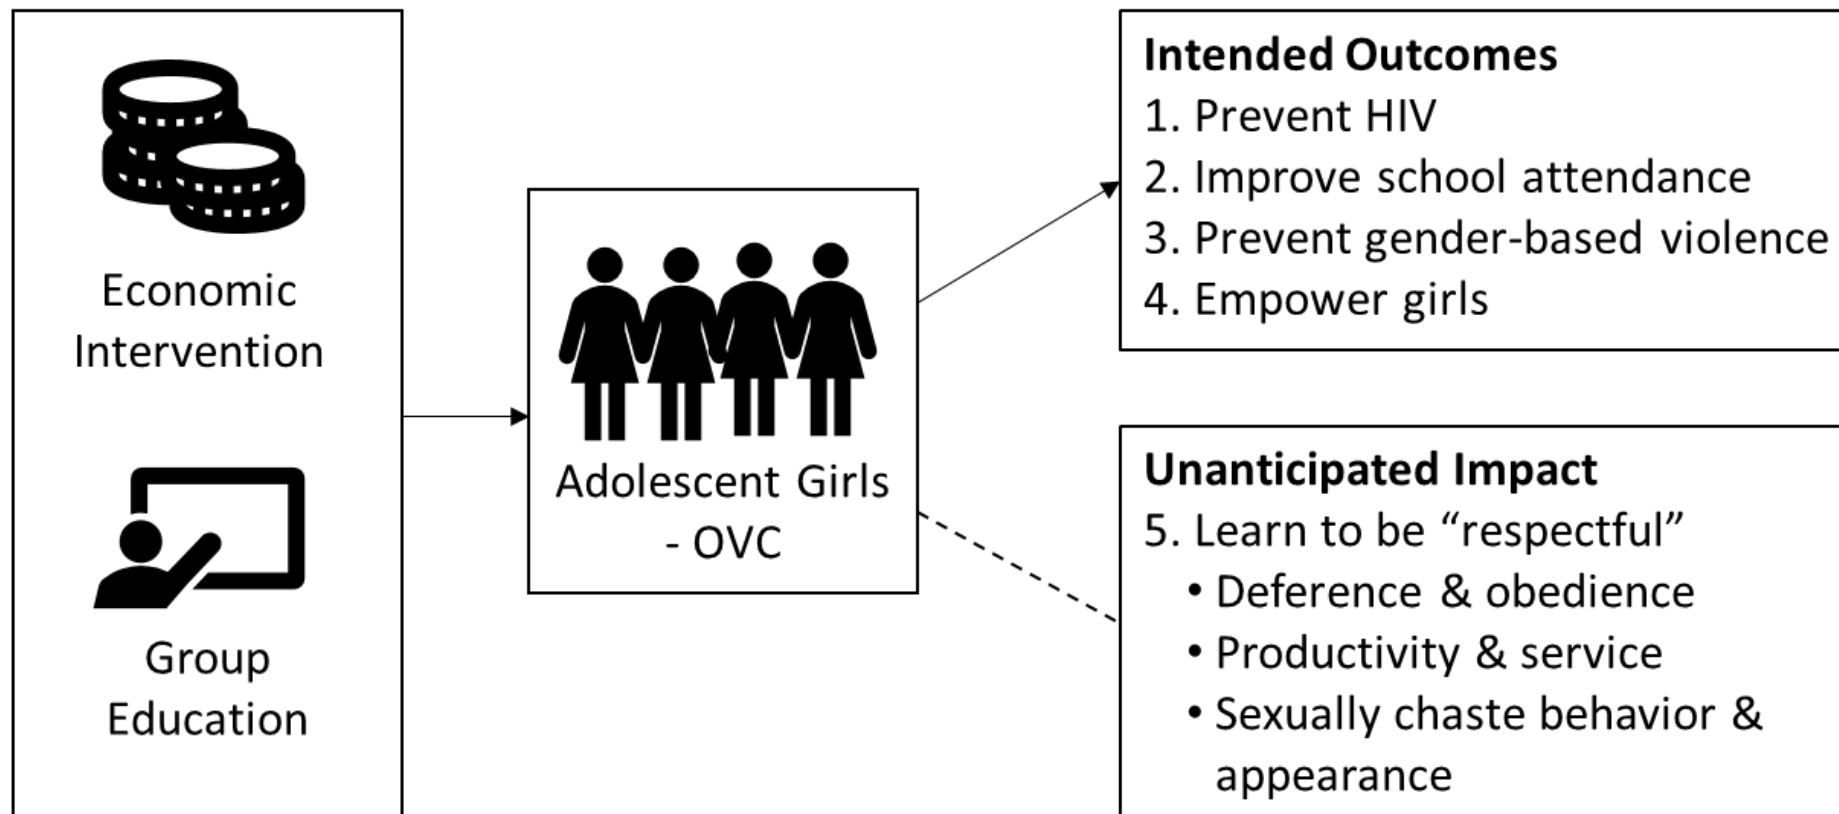

# Women First: Combined economic and social empowerment intervention for girls

- Business training and sales component
- 15 facilitator-led, group education sessions
- Group training on GBV

# Intended program outcomes and unanticipated impacts, as described by families and community members

## Questions for IGWG Members...

- What monitoring approaches or mechanisms can we use to capture findings on unanticipated effects of interventions—*on an ongoing basis*?
- How can we best address SRH in targeted populations, while also transforming gender norms in larger community or systems—*within our programming and budget mandate*?
